He discovered some of the principal mines in the Coeur d'Alene now belonging to the Federal government. The town of Burke, Ida., was named after him, and he was at one time a wealthy man and a leading political power in Idaho.

GOVERNOR HUGHES TO MAKE EXTENDED CAMPAIGN TOUR

ALBANY, N. Y., Sept. 23.—Governor Hughes today gave out the itinerary of his first tour under the direction of the national Republican committee. He will leave New York next Sunday, speaking at Indianapolis and South Bend, Ind., September 28. Detroit and Cleveland will be visited next, and then a trip made through West Virginia and Maryland to Baltimore.

After speaking at Baltimore, the governor will go to New York city, where he will arrive October 1. He will deliver speeches in New York city, and conclude the week's campaign with speeches at Dunkirk and Buffalo on October 3.

President Shows Clemency.
WASHINGTON, Sept. 23.—The President has commuted the five-year sentence in the Baltimore city jail imposed upon William H. White, the bookkeeper and paying teller of the Canton National bank of Canton, Md., to three years and four months, with allowance for good conduct, because he had turned State's evidence. White was convicted in January, 1907, of embezzling several thousand dollars.

Killed in Collision.
SARATOGA, N. Y., Sept. 23.—Motor man Aubrey was killed and three other men badly injured in a rear-end collision during a fog of the Hudson Valley railroad near Miller today. Conductor Kane was so badly hurt that he will die. James H. Cosgrove and James Dowd of Fort Miller, two traveling salesmen, were less seriously hurt.

The Slim Woman is Winning.

The day of the slim woman's triumph has arrived. "The thinner one is the more stylish," say the dressmakers. This would have been bad news for the fat woman a year ago. She would have had to try dieting or exercise. Nowadays, however, the woman who is too fat for the styles goes to a druggist and gets a case of Marmola Prescription Tablets, one of which she takes after each meal and at bedtime and so reduces her superfluous flesh quickly.

These tablets, being made in accordance with the famous prescription, are perfectly harmless, and they are, also, the most economical preparation a person can buy, for they cost only 75 cents a large case, one of which is frequently enough to start a person to losing fat at the rate of 12 or 14 ounces a day. Pretty nearly every druggist keeps this tablet in stock, but should yours be sold out, you can easily obtain a case by sending to the makers, the Marmola Company, Detroit, Mich.
